**TARGET AUDIENCE:**

This course "Designing Assessment Tasks" is designed specifically for kaiako in senior secondary/wharekura, teaching at curriculum levels 6, 7 and 8 and administering assessment for students studying at NCEA levels 1, 2 and 3.

**DESCRIPTION:**

The course consists of FOUR webinars, each webinar is one hour in duration.

The outcomes of each webinar will support participants to know and understand the principles and fundamentals of designing assessment tasks whilst considering:

1. The Curriculum
2. The Achievement Standard
3. The Assessment Resource or Task
4. The National Standard (a summary snapshot of all three previous webinars)

Participants are welcome to join any one webinar or a combination of either, there is no need to participate in each and every one.

**Learning Outcomes:**

*Webinar 1: The Curriculum:*

Kaiako will know and understand the principles and fundamentals of the designing assessment tasks whilst considering the curriculum.

*Webinar 2: The Achievement Standard:*

Kaiako will know and understand the principles and fundamentals of the designing assessment tasks whilst considering the achievement standard.

*Webinar 3: The Assessment Resource or Task:*

Kaiako will know and understand the principles and fundamentals of the designing assessment tasks whilst considering the assessment resource or task.

*Webinar 4: The National Standard:*

Kaiako will know and understand the principles and fundamentals of the designing assessment tasks whilst considering the National Standard.
